

**SCDHEC OFFICE OF OCEAN AND COASTAL RESOURCE MANAGEMENT
PERMIT APPLICATION PUBLIC NOTICE**

September 19, 2008

Permit Number: OCRM-08-917-G
Permit ID: 64572

The SCDHEC Office of Ocean and Coastal Resource Management has received an application for a permit for the alteration of a critical area. This application was submitted pursuant to the Coastal Zone Management Act (Act 123) of the 1977 South Carolina General Assembly. The application, in brief, is described as follows:

APPLICANT: SC DOT
C/o Randell Enviromental, LLC
5472 Highway 174
Adams Run, SC 29426

LOCATION: On and adjacent to Broad River at Hwy 170 Broad River Bridge, Southwest Embankment, Okatie, Beaufort County, South Carolina.
TMS#: n/a.

WORK: The work, as proposed and shown on the attached plans, consists of constructing a rock revetment. The proposed revetment will be 160' long by 3' high at a 1:1 slope and placed along an eroding shoreline. The purpose of the revetment is for erosion control.

This public notice is being distributed to all known interested persons and agencies to assist in developing facts on which a decision by OCRM can be based. Comments concerning the proposed work should be submitted in writing, setting forth sufficient detail to furnish a clear understanding of the reasons for support or opposition.

The decision to issue or deny a permit will be based on the individual merits of the application, the policies specified in the South Carolina Coastal Zone Management Act, and the considerations outlined in the State of South Carolina Coastal Zone Management Program. Interested parties who wish to be notified of final permit action must notify OCRM in writing of this request.

To assure review by OCRM, comments regarding this application must be received by OCRM on or before October 4, 2008. For further information please contact the project manager for this activity, Geordie Madlinger at 843-846-9400.
